

Lord Howe Island

Hybrid renewable energy project

Community Engagement activities focussed on the Solar PV project are commencing over the weekend. If you're interested in talking to the team or learning more about the project, there will be several opportunities.

Saturday 23 November – 3pm to 5pm at the Community Hall

Attend the community drop-in session and have a cuppa and a chat

Sunday 24 November – 10:30 to 12noon at the Community Markets

Pop-up stall at the Bowling Club during the Community Markets

Monday 25 November – 4pm to 6pm at the Community Hall

Business engagement drop-in session, so that the project team to discover and design the best ways for local individuals and businesses to work with the project.
